

Curriculum Links for: ABPI Human and Animal Habitats

National Curriculum for Wales

Key Stage 2

Science

Interdependence of organisms	5	The interdependence of living organisms in those two environments
	6	The environmental factors that affect what grows and lives in those two environments

This web resource contains a number of interactive quizzes covering animals that live in these environments:

- Antarctic
- Desert
- Savannah Grassland
- Temperate Farmland
- Temperate Forest
- Temperate Pond
- The Sea
- Tropical Rainforest
